

ED POCUS: Ordering and Resulting Studies

The following Tip Sheet outlines the process of ordering and resulting Point of Care Ultrasound (POCUS) orders as an ED Provider.

Order

1. Select the ED POCUs order from the Quick List. This is located under the Labs component.
2. Address any **!** required fields in the order.
3. Click **✓ Sign** on the bottom of the Orders sidebar.

Enter Results in Study Review

NOTE: Step 12 is divided by role:

- **Credentialed Providers:** Complete **Steps 11 and 12**
- **Non-Credentialed Providers:** Complete **Steps 13-17**

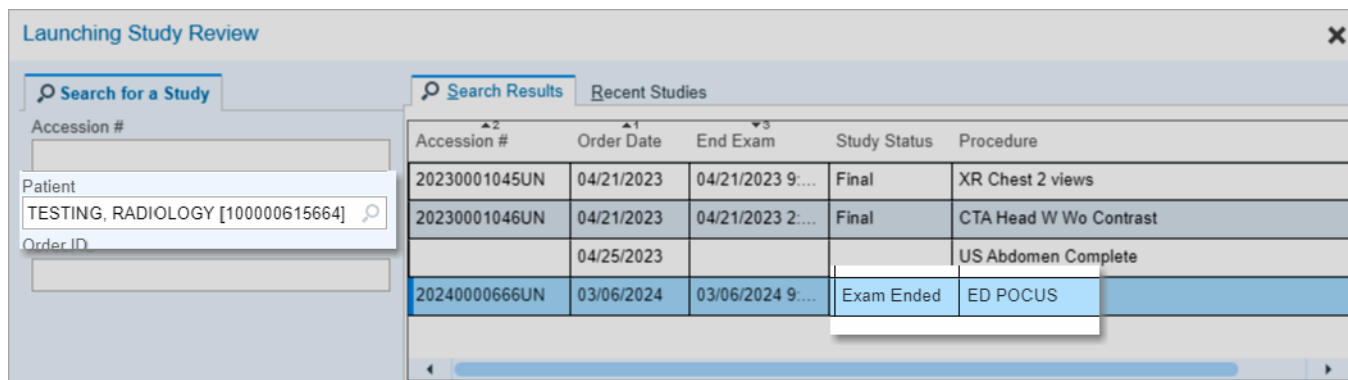

4. Click **Study Review** on the main toolbar.

NOTE: Study Review can also be found from:

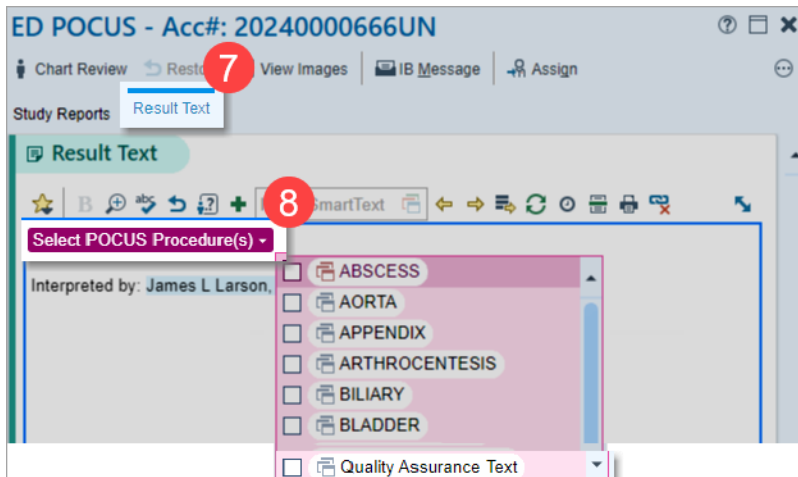

- Epic menu → Imaging menu (pin this to locate it faster in the future)
- More Activities from within a chart (favorite from here to save to your chart view preferences for all charts)
- In Basket
- Chart Review
- Reading Work List

5. Search the patient's name in the Patient field, and then **press Enter**.
6. **Double-click** the ED POCUS at an Exam Ended status.

7. Select the Result Text tab on the upper left.
8. Select procedure SmartText template(s). The Quality Assurance text is at the bottom of the list.

NOTE for Credentialed Providers: Enter **.EDPOCUSQ** to manually add the SmartPhrase when you are assigned the study for review by a non-credentialed provider.

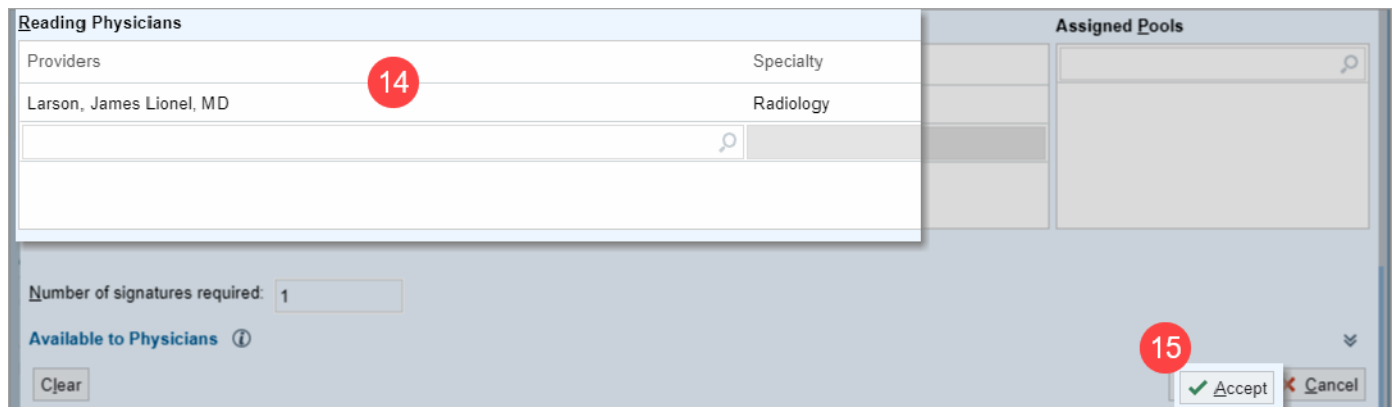

9. **Right-click** to insert the template(s) into the result note. **Press F2** to navigate the SmartText.
10. **Left-click** to select an option, and then **right-click** it to insert it into the report. Options with ******* require you to free text or delete them to finish the report.
11. **Credentialed Provider:** Click **Sign** on the toolbar when the report is complete.
12. Enter your Epic login password, and then click **Accept**.

13. **Non-Credentialed Provider:** Click  **Assign** on the toolbar.

14. Enter the following in the Reading Physicians table:

- **Providers:** Credentialed Provider that should sign the study
- **Specialty:** Radiology

15. Click  **Accept** on the bottom right.

The screenshot shows a software interface with two main panels. The left panel is titled "Reading Physicians" and contains a table with two columns: "Providers" and "Specialty". The first row of the table contains the text "Larson, James Lionel, MD" under "Providers" and "Radiology" under "Specialty". A red circle with the number "14" is placed over the "Providers" column header. Below the table is a search bar and a "Number of signatures required" field set to "1". There is also a link "Available to Physicians" and a "Clear" button. The right panel is titled "Assigned Pools" and is currently empty. At the bottom right of the interface, there are two buttons: "Accept" (with a green checkmark icon) and "Cancel" (with a red X icon). A red circle with the number "15" is placed over the "Accept" button.

16. Click  **Prelim** on the Study Review toolbar.

17. Enter your **Epic** login **password**, and then click **Accept**.
